Click on “Student.Net” on our school web page to enter the system.

1. Login.
2. Schooling History

3. Health History
   - You have to input your health information in every term.
     (The details will be shown in PE lesson)
4. Other Learning Experience (OLE) Report

- OLE Report consists of a radar chart and a categorized list of your OLE history including Community Service, Career-related Experiences, Physical Development, Aesthetic Development, Moral & Civic Education and Others.

- To add a new OLE record, you should press on the “add a new record” to prompt the input menu.
5. Self-reflection
   - You can write a self-reflection after the activity on your experience.
